

Dear neighbor,

now we know that the world is on the edge of chaos: terrorism, the threat of nuclear weapons, wars and mass murder, famines and natural disasters such as tsunamis, earthquakes, hurricanes, as well as Aids and other epidemics, poverty and misery, etc. have become something very common for all of us. We also know that all of this was meant to happen this way as Jesus foretold it for the time of the end of this world order (=the so called last days) and that there would be anxiety among the nations on the earth and that people would be at their wits' end, fainting of fear and expectation of the things coming upon the inhabited earth (Luke 21:25,26).

A true Christian, however, knows the way out of this as he has explored the whole Bible and learned that God himself provides a way out. God is willing to save a great number of people on this world. They are to form the foundation of a new world order here on earth, after this old one will have collapsed by its own fault but also by God's punishing hand. A paradise is to be created comprising the whole world. In this worldwide "Garden of Eden", the will of God be done forever. Jesus himself whets our appetite for this time in his lesson for prayer called the "Lord's Prayer": "Your kingdom come, your will be done, on earth as it is in heaven" (Matt. 6:10).

Do you also want to be saved to live in the coming worldwide "Garden of Eden"? Then read your Bible daily, read it from cover to cover, and turn into a doer of the will of God (Jam. 1:22-5; Jos. 1:8; Psalm 1:1-3)! Get to know the Bible without being led astray by the many Bible commentaries and church organizations distorting the Bible! Find out on your own what God's real will and his teachings are, independently from church dogmas and church teachings. This is my heartfelt recommendation. God had the Bible written in such a way that all his children can understand its basic message. This alone may be enough for your salvation.

My homepage may be of some help to you: www.iouo.de. God's name is explained there and it contains some hints about how to get to know your Bible. Belonging to any religious organization is not important! For your salvation, it is enough that you lead a life pleasing God. You can learn how to do that easily in the confines of your own private home. It is just as Isaiah 26:20,21 puts it: "[...] Go into your chambers and close your doors behind you! Hide yourself for a short while, until the judgment day of wrath [remark = doomsday] is over. For very soon, Iouo [remark: Iouo is the name of God] will leave his dwelling place to hold accountable the population of the Earth for its guilt". But keep in mind: not my writings are important but the thoughts of God written in his Word, the Bible. My thoughts are at the most contributions to a discussion.

On the website mentioned above, you can also download whole Bibles for free (also in foreign languages; as PDF or e-Book). These Bibles are tentatively corrected with the correct name of God (Matt. 10:8). Every human being has received a conscience from God, the BIOS of the hardware, if you will. But the software, namely the word of God has to be programmed by everyone into his own heart by reading the whole Bible. This results in an easier life by God's help (Rev. 21:6; 22:17).

With thanks for your attention
and a wish for your blessing

Yours Kurt Niedenfür
