## The last hour of Babylon the Great

### The Orgs and Churches - All of Them

They despised the Living God!

They despised the Giving God,  
Giving to them life and blessing,  
For eternity their dressing!

Happiness He loves to give them.

But they refused His pure "Ha Shem",  
Namely God's own proper name,  
"Iouo" was their shame!

Now they face destruction or  
Death that the Father gives for  
Hundreds of years in the grave!

Then again He'll test if brave

You are, loving His real name

(s then again the name shame?)
