7 Letters to the Congregations
(a survey of the time of the end)

Rev. Chap. 2 and 3
under left frame of the lampstand

- 1) Ephesus?
The time of the end starts 1812 - Jesus enthroned in heaven!
1814: First World War! A Preaching work is starting
The first love of the Christians has to be revived ^{to be} ~~as~~
in the original Christian Church after Pentecost 33
- 2) Smyrna?
10 Days of tribulation and imprisonment:
persecution of the true Christian in the concentration camps of Hitler
and worldwide in the second world war (and) after that time too
- 3) Pergemon?
Unitarians hold fast to Gods way also thereafter (in the Name of
Christ) despite partly being persecuted (Melancton etc. → Antipra)
"Biteam" however, is the target of attacks by greed (economic
Nicolaus = target of attacks by sects (partly JW, Social ^{miracle})
miracle)
- 4) Thyatira?
the Attack by Isebel is the sex wave from the Sixties ^{biology etc.)}
Homosexuality becomes accepted in ~~general~~ general and many
similar things forbidden by the Bible
Isebel is also the love for the wicked things of the world as adultery
against God (James 4:4; 1 John 2:15 f)
- 5) Sarde?
When ~~we~~ ^{over} coming this, we dress ourselves with a white outer garment
(= Righteousness which is saving), in order not to appear being ^{alive}
only (on the ~~narrow~~ narrow way) but in reality being dead (on the
broad way as a foolish virgin)
- 6) Philadelphia?
The 144000 are all sealed ^{(with} ~~as~~ a finishing seal)
their number is full (Rev. 7: 1-9)
The signing of the Great Crowd has been finished in their foreheads
(As. 9: 4,5; Rev. 7: 9-13)
- 7) Laodicea?
The time of the end comes to its close with Coronae and
with the spitting out ~~off~~ of all wicked ones and all ~~any~~
unrighteous ones because of their indifference and lax
attitude against Jesus and his name (Job 34: 14, 15)
Two third of mankind after this event are dead (Zech 13: 8, 9)
The time of the end after Armageddon is an Interim still
until the Thousand-Year-Rule of Christ is starting:
The wedding (marriage-festival or-feast) of the Lamb starts
in Armageddon. 144000 Coronae are distributed (Rev 3:12,
21)

7 Things around the Throne in Heaven around Gods throne

Rev. 4 and 5
middle
flame left side
of the largest stars

Column of cloud in the
heavens

1) Upon the Throne in the middle of the heaven is ^{sitting} One (Rev. 4:2, 3)
He wears a crown and is worshipped only him! (Rev. 4:10)

The word "crown" is not mentioned here. He seems not to be interested ~~much~~
to the Ruling and Being a King.

He prefers to be a Father, a shepherd and a friend (Psm 23:1 : REI =

2) The seven Spirits of God (= no persons, but effects of ^{Gods} ~~power~~ ^{power}) my shepherd, my friend

lightnings, voices and thunders ^{of} go forth from the throne (Rev. 4:5, cp.

lightnings = Revolts and ^{uprisings} ~~aprisings~~

voices = political and religious ~~opinions~~ ^{opinion} conflicts about opinion differences in the
thunders = political turmoils in the time of the end ^{time of the end}

(Rev. 1:14, 2:18,
3:1, 5:6)

3) Around the throne, as formerly Levi around the courtyard of the tabernacle
are 4 Creatures. They depict as once Levi the firstlings (= firstborns)
of the 144000. It is the tribe of Dan, taken out from the 12 tribes
of 12000 each (Rev. 7:5-8) and forming the 13th tribe. For verse 4
is showing that all tribes of Israel furnish the 144000, taken out of
them, therefore also the tribe of Dan! The spiritual Israel are all
victorious humans [&], unappointed ones, too! Rev. 5:8, 8 is showing,
that the New Song is sung not only by the 4 creatures but also by the 24
elders. The New Song only are ~~the~~ able to sing 144000, therefore
both the 4 creatures and also the 24 elders ~~but~~ build together
the ~~a~~ complete number of the bride (= 144000).

7 Most Holy

The 2nd square of the Holy

4) Around these 4 ^{creatures} ~~creatures~~ (Lion → Love; eagle → wisdom;

lion → righteousness; bull - might (= power)) are 24 thrones

with 24 crowned elders. They likewise are not focussed on the
Ruling with Kingship-Crown (as the Kings of the world in general).

see below
↓

see above
the first square of the Holy

Thus they throw their crowns before God and ^{render all} give honor to the Shepherd-Father Iouo, don't claim this honor for themselves!
Result: Whoever tries to belong to them is not allowed to strive for Crown-~~the~~ Rulership!

The 24 Elders are the 12 tribes of ~~the~~ Rev. 7:5-8 with 12000 each minus the Dan-part. Dan substitutes the real firstborn of the 144000 by a new tribe (like once Levi did). Some Anointed ones, not reaching the goal of the Bride by this, actually very many, start already here in this life on earth to rule over the Believers ^{like} Kings.

(1 Cor. 4:8; cp. my book "The Word 'Lord' in the Bible only in German: 'Der Wort, Herr' in der Bibel", pages 23, 46, 37)

Basis is the Courtyard

5) A sea like Φ crystal (comparable to the basin in the courtyard of the tabernacle) then is the crowd of the other faithful creatures of God in heaven to wit ^(namely) the angels (Rev. 5:11).

Water depicts or means purity (first word of the Bible = BR = well = purity \rightarrow hidden message). They laud (=praise) together

the Lamb Iouo and ~~with~~ all faithful ones on earth (= righteous ones) and below the earth (= ~~the~~ righteous ones already having died, ~~therefore~~ ^{1000th} being resurrected in the future) and in the sea (= unrighteous ones, who still ~~are able~~ have the opportunity to repent and therefore are resurrected)

Rev. 5:7-14

Scrubbing
= Altar of Burnings

6) A book in the right hand of Iouo, which nobody can open (7 seals) (Rev 5:3). It depicts the Altar of Burning Sacrifices in the Courtyard, upon never in Israel a real reliable Sacrifice of redemption Φ could be ~~offered~~ immolated! ?

7) The Lamb, the lion from Jude is approaching (esp. vision in Daniel 7: 9, 3-15 → ~~he comes~~ comes to the Ancient of Days namely Louo) and is standing in the middle of all. He is worthy to open the book (Scroll), to ~~break~~ break the seals. Because he is ^{was} ~~is~~ ~~ready~~ absolutely and fully to be slaughtered upon the Altar of God (= Gods will) becoming by that victorious. He is allowed to break the 7 Seals because he totally and without any reserve or restriction dedicated himself to Louo for being slaughtered out of perfect love to Louo, his father. He proved that! Therefore this point of the Lamb depicts the heaps of ashes with fat? in the cowdy and his ~~is~~ actual being slaughtered depicts the Altar (~~is. to food~~) see last point) This dedication was decisive! Without such a dedication in all its depth a being slaughtered had not been sufficient to get the right for the opening of the seals!

The 7 Seals

Rev 6: 1-17, Rev 8: 1-5
inner left frame of
the lampstand

1) first seal: The Apocalyptic horseman upon the white horse is Jesus, when being crowned 1912 in heaven (cp. my "Commentary upon Extracts of the Book Daniel") He is starting a war in heaven (a bow in his ~~hand~~ ^{head})

2) second seal: The Apocalyptic horseman upon the fiery-colored horse takes away the peace from the earth: 1914 First World War is starting, leads 1939 into the Second World War and 2003 in the Third World War (= War in Irak with 35 nations involved) and then 2010 in the Arabic Spring (→ with the cruel finish → the Forth World War) and some smaller wars. (Isis, Krim etc.)
Iono renders the wars smaller and smaller after the End of World War II in 1945, if possible! → "He makes wars ^(slowly) cease to the ends of the earth" (Psalm 46: 10) → NIV with my "slowly inserted")

3) third seal: The Apocalyptic horseman upon the black horse is ^{"famine and hunger"} ~~the~~ the world and malnutrition; that has a strong grip (^{over}?) many peoples in the whole world of the time of the end since the First World War

4) fourth seal: The Apocalyptic horseman upon the deathlike ~~and~~ pale horse is the too early death of ~~very~~ many men in the time of the end.

("Hell here is an often false translation → it is only the Grave, Helle is the Greek word for grave in the NT. It is a synonym of Sheol in Hebrew! →

(Rev. 14:13)

-9-

↳ → The Jews at that time didn't believe in an immortal soul and in the hell as a penalty of God. Likewise the NT is teaching the word "gehennae" only as a picture (allegory) for the eternal death = Nonexistence (Rev. 20:14). The hell is nowhere existent, it is not possible they are with a father who is love (Jer 32:35). Any too early death is the result of wars (=sword), of famine and hunger, of sicknesses and plagues, epidemics (Thanatos = death) as cancer, and many other diseases, included finally Corona!

The word "therion", here often translated with "wild animals" of course can ~~mean~~ mean here also viruses and bacteria in the first application!

5) ~~the~~ 5th seal: The Martyrs of the time of the end: in the Concentration camps, in Meleus, in the countries behind the Iron Curtain; in the whole world Christians and "good people" are put to death or persecuted in a way that it is equal to an execution (Excommunication, Exclusion from the congregation or community → 3. John → Diotrephes)! Total muzzling → bringing to silence can be meant here, too.

All those Martyrs get the ^{adjudged} white outer garment, means Righteousness. Righteousness is deliberating from death (Proverbs 11:5), It is a tree of life (Proverbs ^{11:30}); cp. Proverbs 3:18). Me, too, and my whole family are such persecuted and excommunicated Martyrs.

6) Sixth seal: A great earthquake (= seismos = "shock"
cp. Rev. 16:18: never having occurred something
like that" cp. also my letter of preaching and
witnessing: "Basic thoughts on Corona")
is the sudden appearing of Corona, a new
disease in the world. It is shaking the world!
Sun darkened: Religion is no more help, it is
just a mere black sack only!

Moon like blood: (Moon =) laws are ~~no more~~ ^{never}

quickly passed and quickly

helplessness confronted with Corona!
the heaven retreated, mountains and islands are moved.

UNO and EU become weak (BREXIT)
Governments (mountains) and Organisations
(= islands) too. Everybody is in fear
and anxiousness of the Lamb, They
recognize Jesus, the Judge of the world
but they don't mention him, they
hide themselves. Nevertheless Jesus
is coming like a thief, because he
is ignored in the media!

Rev. 1:7: "upon clouds"

1 Thim 5: 2, 4; Proverbs 1: 22;
2 Peter 3: 3, 4; Judas 18, 19)

The great Day of Gods wrath! of lions!
and of the Lamb's jaws has come! arrived!
Who can stand it?! Pass this test? (Heb 3:1, 2#)

7) Seventh Seal : A great ~~of~~ silence : The WHO

declares (~~the~~ ~~March~~ March 3rd 2020)
Corona for a Pandemic?

Silence : Lockdown ^{out of} in the whole world
everything stands still because of anxiomen
for Corona. No plane is flying,
Cars stand still, factories, too? etc.

Seven trumpets (trumpets) are distributed to
7 angels. An eighth angel is burning incense
at the Altar of incense (is in the Holy)
_{altar}

and at a vessel of incense (= tub of incense,
Paul is mentioning it in Hebrews 9:21)

This vessel of incense corresponds with the stand
of incense in the Most Holy, where obviously

the pan of incense had to be put upon,
whenever the High priest once a year on the

Atonement Day stood over before the
Stool of Grace (= throne of God) of the Ark of

Covenant (= core of it) ~~with~~ carrying the

Sacrificial blood of the bull and the goats/Isaiah
to give him the freedom of hands to sprinkle
the blood. ()

7 trombones (= 1 trumpet)

Rev. 8: 2, 6-13
9: 1-11: 19

⊗ The middle column of the largest and its flame

middle flame of the largest and forth flame

The middle flame is the trombone(s) especially this one, that also Paul is mentioning = the Rapture in Armageddon or shortly thereafter (1 Thess 4:16)

1) first trombone: The Atheism (included Agnosticism) with blood mingled in between / Blood = Communism) becomes the basic attitude and position even of the Christian Countries by Darwinism and Evolution-Theory that is taught to be absolute fact! Thus one third of the earth is burned down (= the Christianity ⊗ or Christendom) and also dries out Green (= Christianity can't give life any more → green ~~is dying~~)

2) second trombone: Mount with fire into the sea → Rev. 8: 8 Everything becomes blood to a third: Since the October-Revolution in November 1917 the World-Communism is coming into existence. "Sea" is the sea of humans stirred up of all those who in most cases don't believe much or even don't believe anything! Ships normally carry a victory over the sea → Unbelief no more is surmounted because the Believers become Communists by the Millions!

3.) third trombone: The Jehovah-cult (or ritual?)

Rev. 8:10 especially of the Jehovah's Witnesses,
is spreading upon one third of all waters = one third of the
world population is needed by preaching this name! It is a
bitter name for the Dear God

(Morich = Name of the Temple = Bitterness of love; ^{TRIO} up

"the Lord "Lord" in the Tish" given only ~~not~~

= "Da Wort 'Her' in der Tish" ~~only~~

and the Book: "Your name is close" is given only =

"Dein Name ist nah")

Many find the death by this Preaching (this name
and their out-~~ings~~ ^{doctrines} ~~origins~~ ^{origins} ~~with~~ from
such bitterness) by this!

4.) fourth trombone: Darkening of the Sun (= Worldreligions

Rev. 8:12

Rev. 18:23) : all Religions

organisation (~~is~~ ^{are} included

and Bible-Students) don't give ~~light~~ bright backing

for the human.

Their Laws / Postulating "Loyalty" to an Organisation)

lead similar to a moon to worship of Demons

(Micah 4:5 → the Lord instead of 'Ili';

~~Jeh~~ Yehwe instead of 'Ili' → there are

beside "Jehovah" and "Ieh" the causes.)

likewise the Stars don't give any backing for ~~the~~ mankind:

The mighty ones of the world are ~~in~~ in darkness,

because of blasphemy by Anti-Bible-laws ~~are~~ - Acts.

5) fifth trombone:
Rev. 9: 1-12
(Details see
p. —)

Locusts: All Anointed ones
of the Christians.

Partly they are faithful members
of the Bride, partly half-faithful
ones becoming princes on earth (p. 45:16)
partly wicked ones of the world (p. 17)
Doubts (= Serrant ~~17~~ Mt 24: 48f)

6) sixth trombone:
Rev. 9: 13-11:14
(Details see
p. —)

200 Millions of Horsemen: All
non-anointed peoples of the
Gospel (= Good News) world wide
in the time of the end in many
organisations, but in their nature
however only single combatants.

7) seventh trombone:
Rev. 11: 15-19
(Details see
p. —)

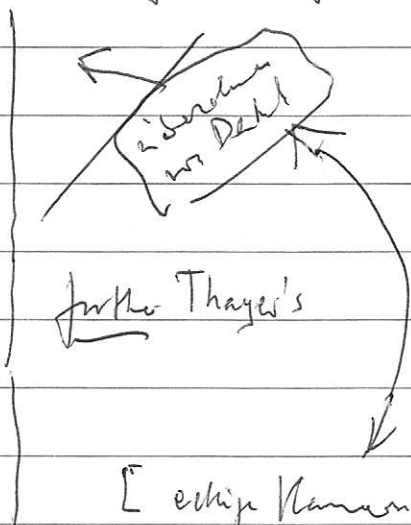

Nations become yet nervous
and the nervousity of God is coming,
to bring on the end of the old
world-order: The judgement of
the Doomsday (or Last Judgement).
(Nervosity = ORGÄ = wrath,
annoyance, restlessness)

Supplements to the fifth trombone (Rev. 9: 1-12)

Key to the well of the abyss (Rev. 9:1)

Already the start of (the) Genesis is mentioning the abyss
TOUM (אָיִן = מְיֻחַד) = Abyss, deep ocean
(cf. my own translation of the Creation-story → see Appendix)
Here obviously deep water is meant.

Well of the abyss = VREATOS TĀS ABUSSOU

[eclipse Nammun: Ps 91 etc.: mostly leading to the false picture of hell]

Since Water is protecting well against radioactivity, too,
(when sufficient water is there), it could ^{easily} be that here
the deep ocean is meant, where no men can live and
what possibly in the deepest depth is the Trench of Pacific
the Devils are incarcerated around 1000 years though
Demons ~~are~~ naturally are not necessarily radioactive!

The key here to ~~mean~~ is however that ~~here~~ have a
prison of Spirit, if not Spirit prison of Spirit had been ~~planned~~
planned.

A smoke out of the TOUM seems to be an image (an allegory) now, to be sincere! A smoke out of a well? At most vapor, a ~~vapor~~ mist, an evaporation of water therein! But ~~it~~ is more likely that a smoke ascends out of a volcano in the deep ocean region. This really can darken the sun and make the air stuffy! (verse 2)

are

But locust out of this smoke possible? Did ~~it~~ a swarm of locusts go around exactly at this time of our volcano? Seems to be really allegory! Pictures!

The sun here depicts maybe the Governmental System (= ~~it~~ wild Animal) of the world (or again is meaning the world religions). These shall be dashed.

Hitler e.g. was ~~made~~ brought to contempt by the associated JW very much, because they preferred to be content with persecution in concentration-camps after Scorpion-sting like faithfulness to divine laws than to give in (James 4:4) to politics ~~of~~ in harmony to religions but not in harmony with the Bible)

There are many historical examples for such behaviour, not only JW's!

The preaching of the Bible moreover is in our case a sting-stitch of a scorpion, an offensive bad smell to death (2 Tim 4:3, 4; 2 Cor 2: 15, 16), ~~of~~ Of course nobody directly is dying by preaching (Rev 9: 5, 6, 10).

(called out)

The King of the locusts who are chosen to become the Bride of Jesus, of course is Jesus himself = Abaddon = Apollyon (= "Destroyer"). Therefore all of these have hair of women and such hair-styles. Like lions they follow Jesus, the Lion from Jude into his footsteps. Not all of the called ones need the aim "Bride-Member" (look here to my book "The Word 'Lord' in the Bible see above! S. 23, 46, 47)

During

5 months they are allowed to fornicate! That is the life-span of a locust! This could be a hint, that 50 years (1 month = 10 years) from the opening of the Gilead-Missionary-School of the JW-Org (around 1841) until the not detected becoming an NGO-member of the VNO of this JW-Org in 1891 have passed. Detected was this unpardonable sin (sign of the wild animal or forked ad head) only 2001 by the English Newspaper "the Guardian". In this time ~~see~~ from 1891 onward those JW-Locusts could no more by scorpion-like stingers, they had no poison within their rings anymore. 50 years only they could fornicate the mankind by the good accus of an incoming New Practice of the heavenly Kingdom (~~Let~~ ^{Let} "They Kingdom come!" - look to prayer). They lost their godly given virginity! The voice of the Bride and of the Bridegroom stopped within their ranks. They had overlooked James 4:4 becoming a whore like all other religious Orgs.

Ioua never gives his blessing to a religion
whom I (There are no "Religions") ~~the~~ beyond
Heckly whom have a chance (you: Many of
them go into the Kingdom rather than for
religious leader)

A religion whom doesn't get a power ~~of standing~~ ^{to be able to stand}
spiritually! Like also mentioned in Revelation
17 and 18 (most of all vers 23) is showing, this
daughter of the Whore-Mother Great-Babylon
was no more getting the voice of the Bride of the
144000 and of the Bridegroom Jesus himself, then
Abaddon King, the Destroyer of the world will
in first rank destroy them the JW-Dej!

~~The~~ The Judgment will start at the house of God!
These voices get mute.

Now their house is left devastated to them.

(Mt 23:38) without Ioua's backing (=support)

Today the work of the Jews is dead
comparable to the congregations of Sodom and even
Leodicea. The rejected and spurned the
holiest Name of God "Ioua" (since 1881) →
What wisdom do they now still have? (Jer 8:9)

(Compare that to my book press: "Your Name is close"
only German "Dein Name ist Nah!" ~~was~~
and many other things on what, Ioua, de!)

Number of the army of horsemen: 20 000 x 10 000 = 200 Millions ^{or Brown}

No single Christian Organisation has the ^{right} ~~right~~ to claim that only it contains these 200 Million (200.000.000) horsemen, namely preachers of the Gospel, the "Come" (offb. 22:17)

All Christian Organisations can be compared with a tree upon which many, many branches and twigs are growing ~~to~~ namely many organisations. These, however, only are depicted by the wood. ^{But} God looks for the fruits of this tree. On all twigs and branches ^{always} only (in each case) the same fruit is growing: It is the love (1 Tim 1:5 → the aim of our faith). ~~in each case it~~ But on the other hand a person can belong ^{only} to the wood instead to the fruits, that solely is destined for being burned (Love → fruit of the discreet virgins; wood → fruit of the foolish virgins; Mt 25: 1-13)

The organisations for themselves always are only wood! All of them soon will not be needed any more (Rev. chapter 17 and 18). The organisations of Religion are all ^{destined} (meant) for destruction, the JWs, too! All of them show worst fruits of the behavior of Babylon the Great! An enumeration of these ~~behaviors~~ negative points is obsolete, namely ^{only} all what is not love! (cp. Jeremiah 23: 35).

But on the other hand you can find in each organisation single persons who could there develop love. Even in Non-Christian Organisation I detected this. So I have preached years to Muslims as ~~the~~ JW. Much good I experienced also there. By my sons who studied far-East-languages, I ~~was~~ have a good insight in the Good of ~~the~~ their Religion! Everywhere there is something "outstanding"! Whoever is living in harmony with his god-given conscience, as Paul said, can there be a law to himself (Rom 2:14) and develop the above mentioned fruit "Love" to his own salvation. Many Christians are worse, because they remain to be wood, though the life-sap in this tree of mankind, the spirit of God, ~~is~~ is the spirit of the good. If a branch (= Organisation or Org) turns away totally from this sap of the spirit of God, the whole branch-Org is drying up! It remains a tendril and fruitless.

Therefore it is appropriate to believe in the salvation of ^{one} third of the mankind now in Armageddon (Zech 13:8,9 ^{becomes} ~~to~~ Aret's not only mean country but also earth! ~~Here~~ Here is a prophecy for the whole earth!) And then really 200 000 000 preachers are necessary not only 200 Million printed items of the "Watchtower" as the JWs say!

⊗ The most necessary, however, would also be to preach the only correct Name of God "Iouo" (Zech 14:9; Zeph 3:8-12 & Isaie chapt 1 to 3 show indeed how important it will be directly after Armageddon that the true name of God is existing and other ep. Micha 4:5 → Jehorah = false God; Yehwe(h) = false God, the Lord = false God, Iene = false God, and thus → no can't save!)

In Revelation 9:14 also the river Euphrates is mentioned. It is flowing through Babylon and ~~is~~ is like the name ^{אֵלֹהִים} a relic ^{from} Eden's Garden (likewise as the Tigris)! Newton should have treasured this only spiritual relic out of Eden very carefully till today, protecting it like the apples of our eyes! But the man has all this long time totally forgotten his heritage of God his father nearly all of them nearly his most holy name of God Iouo. (Jeremie 23:27; Ps 44:41; Ps 74:10, 18)

Only at some few points of time it flashed up again. Though the Mosaic law is forbidding the bad treatment of the name of God in the third law of the Decalogue (cp. my book "Your name is close" "Dein Name ist heilig" → German only) and though all Christians, too, are praying the Lords-Prayer since Jesus earthly life billionfold and daily ~~in~~ even ⁱⁿ the Liturgy of Believers: "Let thy name be sanctified!"

The worst ones were all those, whose organisations despised this name and are judged condemned as being Babylon the Great in Revelation Chapter 17 and 18. Though the lifeline of Babylon, namely the Euphrates stems from the Paradise of Eden this river neither could transport the true life-veg with the true name of God Iouo ~~there~~ nor to the literal Babel nor to the spiritual worldwide (Babylon the Great). Though 4 Angels (like the 4 letters of the Name of God = Tetragrammaton) may have watched over the spirit of the Euphrates! This life-line of the false Religion organisations soon will be totally cut ~~away~~ from them

because the hour of judgement ~~is~~ has arrived already with wrong!
And the 4 winds of the 4 angels have been ^{so} (let loose!)
(Rev. 7:1; Rev. 8:15) The day is here! One third of mankind
is dying by this maybe! A further third soon will follow still!
(Lev 13:8,9; Rev. 9:20, 21) ^{end of} the 7th trombone (Rev. 11:15-17)
still some ~~there is left~~ horsemen ^{have been} added a bit (Rev. 10:1-11, 14)

There are mentioned 7 Thunders, that were not allowed to be
written down, however, and about the Finished Mystery at the
7th trombone, about a little booklet, about the Measuring of the
Temple, about two witnesses of God and about plagues, brought
over the world by them with allowance of God. About the eyes,
from which an animal is exceedingly and is ^{being} victorious over
these witnesses, namely killing them and about the resurrection
of these both ~~is~~, their ascension to heaven and a great
shock (= earthquake).

That's all I want to dare now explaining a bit. When I am
right, this comes from the ~~the~~ holy spirit of love. Whenever I
show something false, this remains my guilt and my mistake.
Thus I don't do this for my own praise, for a landing.
Praise deserves God. And a thought I found with the Pietist
Gottfried Arnold („The first love → „Die Enkeliche“ and
„Ketherhistorie“ → History of Heretics“). He is describing, that
we never are allowed to boast about a thing ~~coming~~ originating with God
except ~~but~~ about our having been allowed to get to know him.
(Lup: Jeremie 9:23; 1 Cor. 1:27-31; 2 Cor. 12:1)

1st point:

the seven thunders; They ~~was~~ stay secret!
What is the time of end clearly staged
unrealised? It was the feared Nuclear War
feared of all since Hiroshima and Nagasaki!
The balance of fear or fright caused these
Powers to be silent. ^{Thought} Many years!

Only since since Trump there is spoken about
a Cold War again, fearing that a Nuclear War
is possible again! The Non-Proliferation Treaty
has been canceled ~~or~~ or revoked! Because
the 7 thunders were not allowed to sound in form
of a ^{Nuclear} World destruction and Overkill, I didn't
install these into the Langston (page 2)
It belongs to the 6th from some.

2nd point:

The finished Mystery: No time should

pass again, for at the 7th tomb one the mystery of God
has been finished (p. 2) This is sworn by the angel
Jesus who is dressed in a cloud as with a rainbow (= peace
of God for the world), His face is like the sun (full of
liberty & where the spirit ~~is~~ makes alive because the letter ~~is~~
is killing). His feet are ~~with shoes~~ like fire columns,
with shoes of the "Camei" (Rev. 22: 17), lovely
before Iono.

3rd point

(small?)
the little booklet: In the Revelation there are mentioned
two booklet or scrolls:

1) The one with 7 seals

2) the mentioned here little booklet ^{however} without seals
obviously because it is not so difficult to be understood.

I think at two foods in this connection provided by God in form of written documents:

The Bible, often very hard to understand, and secondly the Kairos - food - written things together with the "Come!" - written things.

The "Come!" often is sweet in mouth (or heart) like Perfume in the courtyard of the tabernacle.¹ But then the Kairos - written - things is added! It is hard to be digested like a big amount of salt, which also was available in the courtyard. → Bitterness is developing in the stomach a sign of repentance, that comes up after the hearing of the "Come!" (sweet) but going on to the hearing of the Kairos - food. → In the courtyard repentance is depicted by the heap of fatty ashes (fat = love, that leads to ashes = repentance → all of that prepares the dedication to Iouo (= the altar of burnt sacrifices) leading the baptism (= basin with water)

But the "Come!" now shall be preached still once and being prophesied (Rev. 10: 11) & ^{shows} ~~says~~ (2) I say ^{shows} (2) Preach until the last enemy of God is dead (Jer...?)
